| 2 | Pulau Dua | 4 | Selat Walea | 6 | Pulau Malenge | 8 | Pulau Una Una | 10 | Ampana |

DAY 01

LUWUK

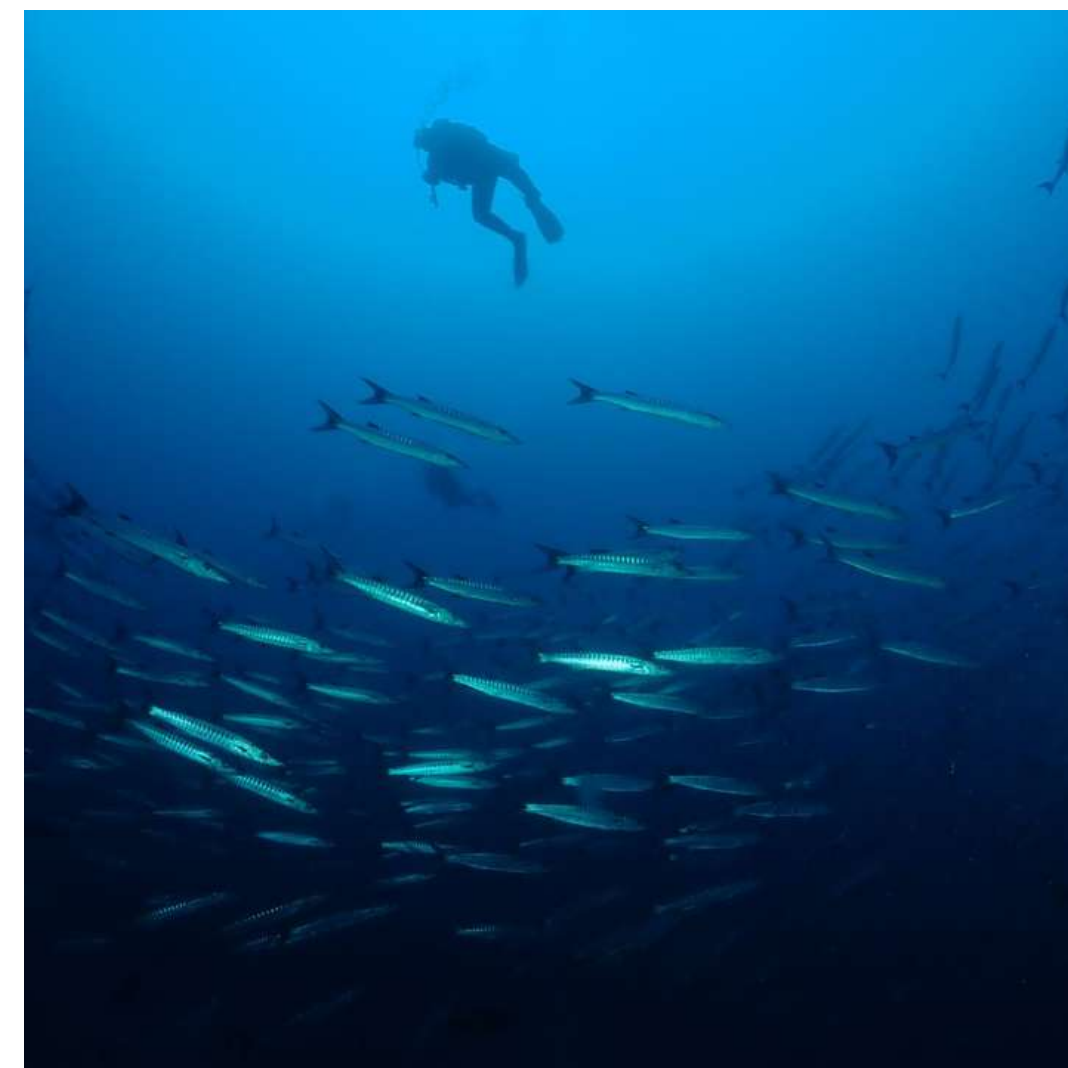

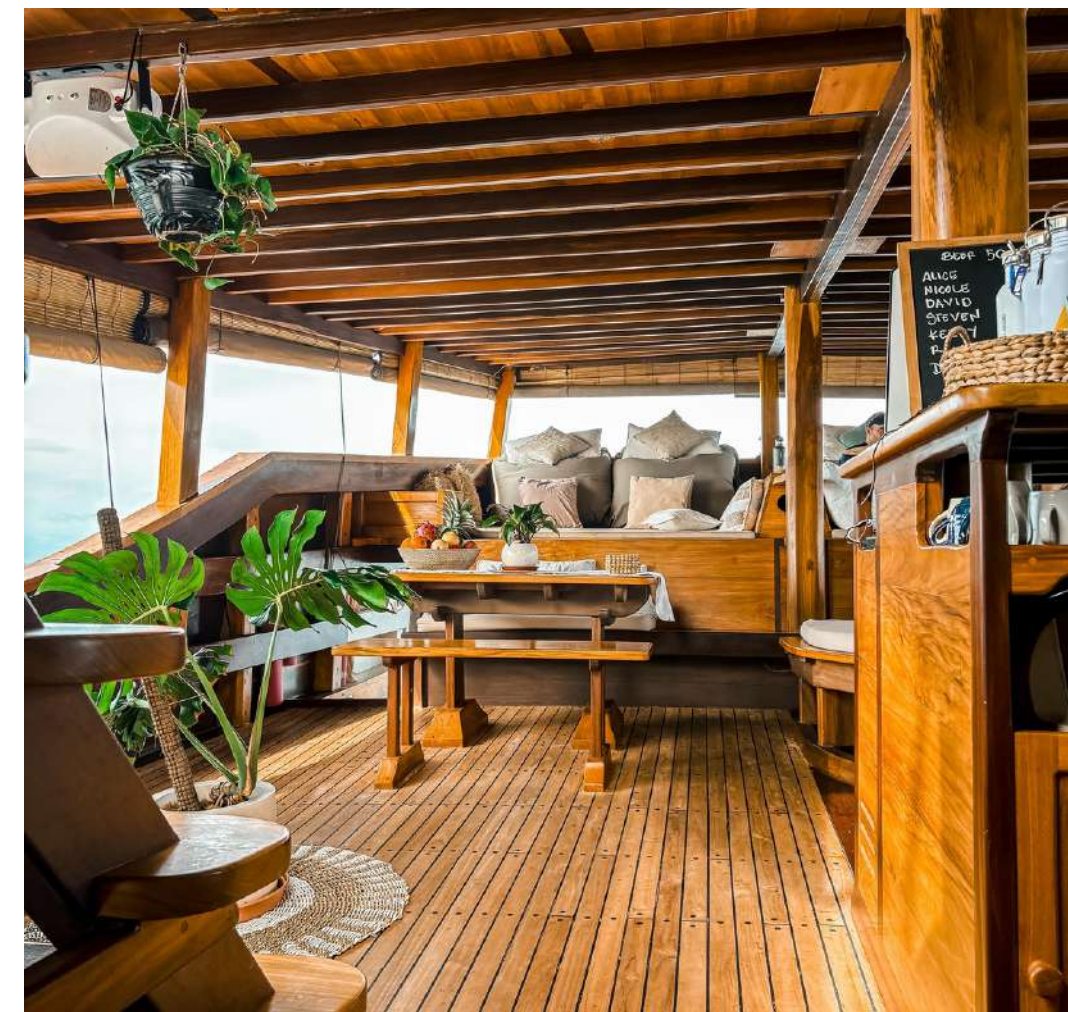

Pick up the Guests at Luwuk Airport or their Hotel early morning or at the time-of-flight arrival. On- boarding Jakaré in the port of Luwuk and departure expected around 10am after boat clearance.

Welcomed drinks and snacks are served while Cruise Director briefs the guests on the safety, onboard organization, overall itinerary and presents the crew.

Guests are then shown their cabins to settle in, refresh and get ready for the start of the Cruise.

Jakare will sail North East toward Pulau Dua, approximately 40NM and on the way we will do a check dive. This sailing time will be good to prepare the snorkelling and diving equipment and rest.

Overnight: at Pulau Dua.

DAY 02

PULAU DUA

We will start early morning to dive at Pulau Dua and the surrounding. First class diving will be mostly on untouched pinnacles and boulders with sandy bottom, offering some very rich fish life and colourful sea fans, soft and black corals. This area is becoming well known by divers, thanks to Tempotika dive lodge which had recently installed here. The area is also well known for its muck dives, for the great pleasure of macro photography amateurs.

We will propose trekking on the beautiful Pulau Dua and after dinner will sail North toward Pulau Puah.

Overnight: sailing (39NM).

DAY 03

PULAU PUAH

Pulau Puah marks the entrance of the Togean Archipelago before arriving in the Walea Strait (selat Walea). It is a beautiful low sandy island with fringing reef and diving there will be mostly wall diving with overhang and cracks.

After 2 dives around the island, we will head north west toward the Walea Strait, our next destination (31NM).

Overnight: Selat Walea.

DAY 04

SELAT WALEA

The cape – tanjong Balikpapan is famous for its dive site as well as on the other side of the strait. We will be able to visit the beautiful white sandy beaches and snorkel around. After 2 dives there, we Jakare will sail toward Togean Island in the Tomini bay, heading for our next destination the Bomber Wreck, south of Togean Island (29NM).

Overnight: at Bomber Wreck

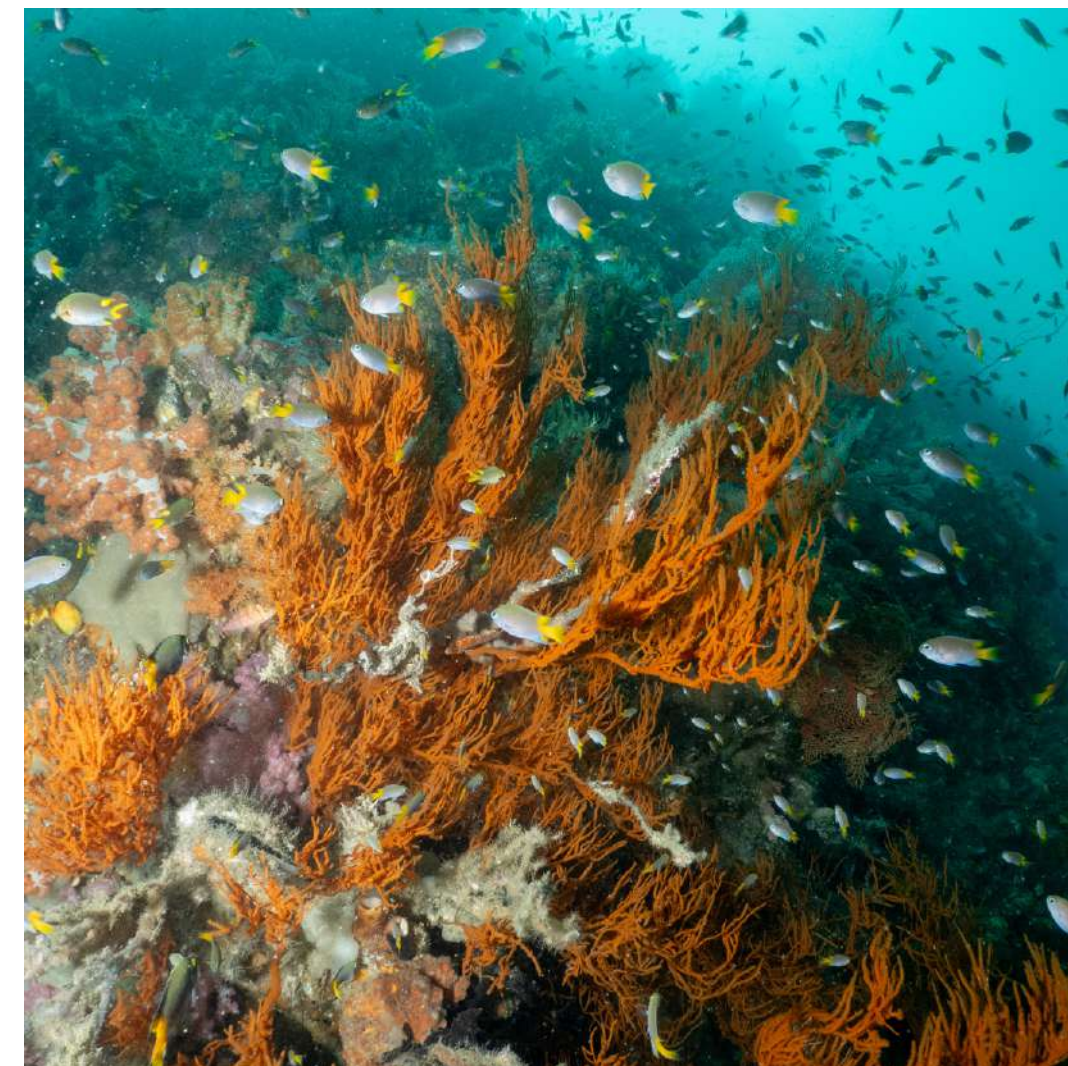

DAY 05

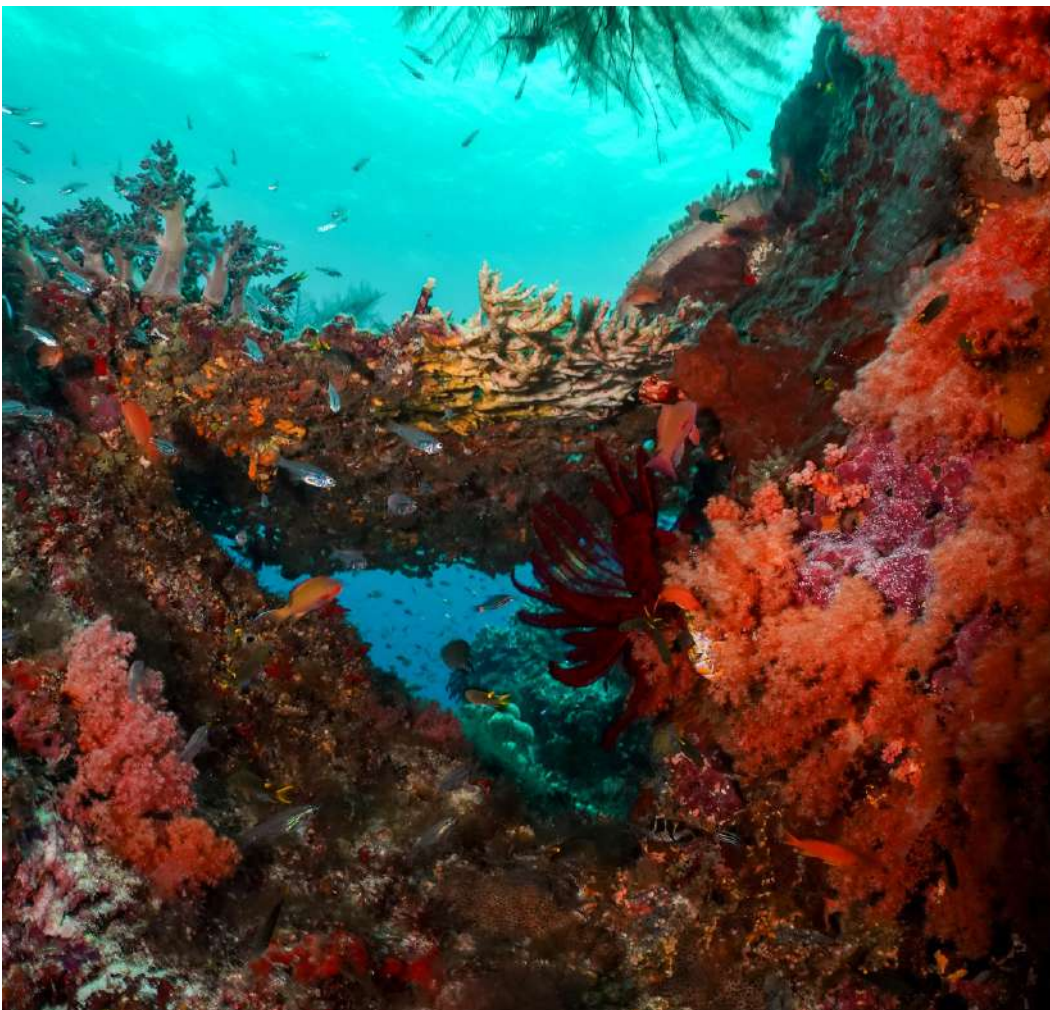

PULAU TOGEAN

We will dive 2 times on the B24 Liberator, laying at 16-20m below sea level on a sandy bottom. The American plane ditched here during WW2 in May 1945 and is still in good conditions. We will also enjoy the beautiful surrounding of the Togean Island in the vicinity of the wreck location and find our way toward north of Pulau Togean at the end of the morning. The crossing up to Wakai thru the beautiful selat and then karina beach at Kadidiri Island will take bout 4 hours (19NM).

We will drop anchor in front of the Karina beach and swim with the jelly fish in a fresh water lake.

Overnight: anchorage at Wakai.

DAY 06

PULAU MALENGE

Jakare will sail eastward in the morning and reach the beautiful island of Malenge and its remarkable biodiversity (12NM). A visit of Papan village, home of the bajau, will be organized we will snorkel and dive at nearby Malingi Wall, a nice easy dive and spend the evening enjoying a BBQ on the beach.

Overnight: anchorage at Pulau Malenge.

DAY 07 - 08

PULAU UNA UNA

Early sail toward Una Una Island (24NM), our home for the next 2 days, offering world class diving and beautiful untouched natural environment. For those who want to explore on land, a visit of the village and trekking to the Volcano will be organized. We will dive a selection of the best dive sites including Pinnacle 1 & 2, Kingston Wall and the famous Apollo with resident Baracuda tornado. Visibility is usually good in Una Una, with small current and abundance of fish life (including schools of fish, rays, turtle and tuna) and soft coral, giant sponges and sea fans.

Overnight: anchorage at Una Una harbour.

DAY 09

PULAU TAUPAN

We will sail southward toward Ampana, our final destination and stop on the way at Pulau Taupan, our last diving spot of the cruise (23NM). Pulau Taupan offers beautiful walls with hang offs and healthy corals and plenty of marine life. Hanging sponges is one of our preferred dive there but we will have a few options depending on the sea conditions. After 2 dives, some snorkeling and a little exploration of the beautiful beaches, Jakare will sail to Ampana (18NM).

Overnight: Ampana.

DAY 10

AMPANA

Breakfast will be served and the Guests will have the opportunity to review and exchange their photos or films from the time spent together. A small ceremony and good-byes from the Crew will be organised on board the Jakare before leaving the boat to the airport. Check out will be in the morning.

NOTE

- 1 Proposed Itinerary is for information & planning purpose only and subject to weather and actual conditions on board and at location
- 2 Daily program will be presented, discussed and confirmed with the guests every evening for the day after.
- 3 We will always respect a minimum of 24 hours interval between the last dive after
- 4 Please note that itineraries are subject to change based on weather conditions
