

North Sulawesi

LUWUK TO GORONTALO

10 Days & 9 Night - Diving and Discovery Cruise

STANDOUT POINT

1 Luwuk

4-5 Pulau Togean

7 Pulau Una Una

10 Gorontalo

2-3 Banggai

6 Pulau Papan

8-9 Pulau Togean

DAY 01

LUWUK

Pick up the Guests at Luwuk Airport or their Hotel early morning or at the time-of-flight arrival. On-boarding Jakaré in the port of Luwuk and departure expected around 10am after boat clearance.

Welcomed drinks and snacks are served while Cruise Director briefs the guests on the safety, onboard organization, overall itinerary and presents the crew.

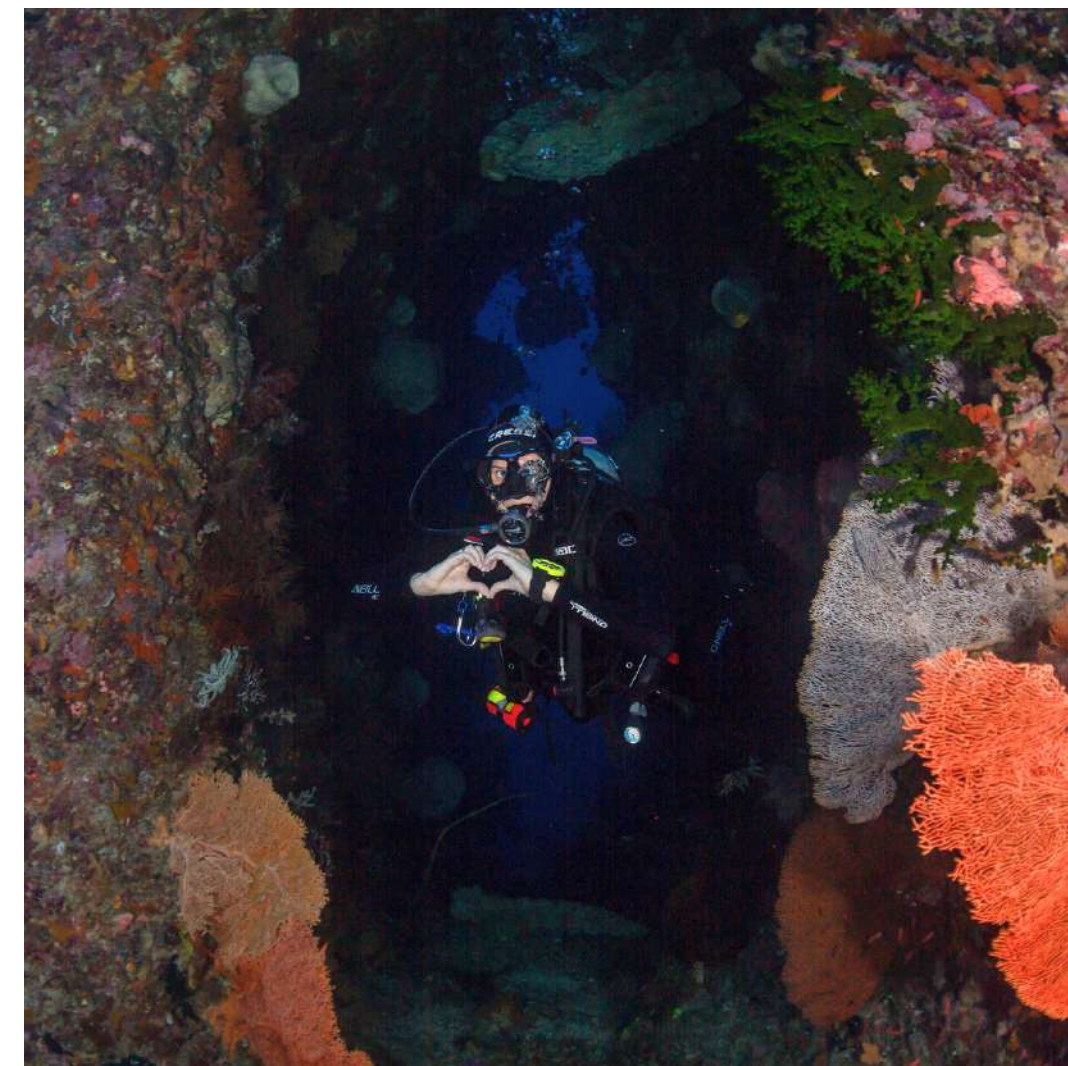

Guests are then shown their cabins to settle in, refresh and get ready for the start of the Cruise.

Jakare will sail south toward Banggai. This sailing time will be good to prepare the equipment and rest.

First landing in Banggai will be at Paisu Pak, a fresh water lake. After some swimming and Kayak Activities there, JKR will head to Banggai Bay or Teluk Pulau Pelang

Activity 1: Paisu Pak fresh water lake

Overnight: Banggai Bay

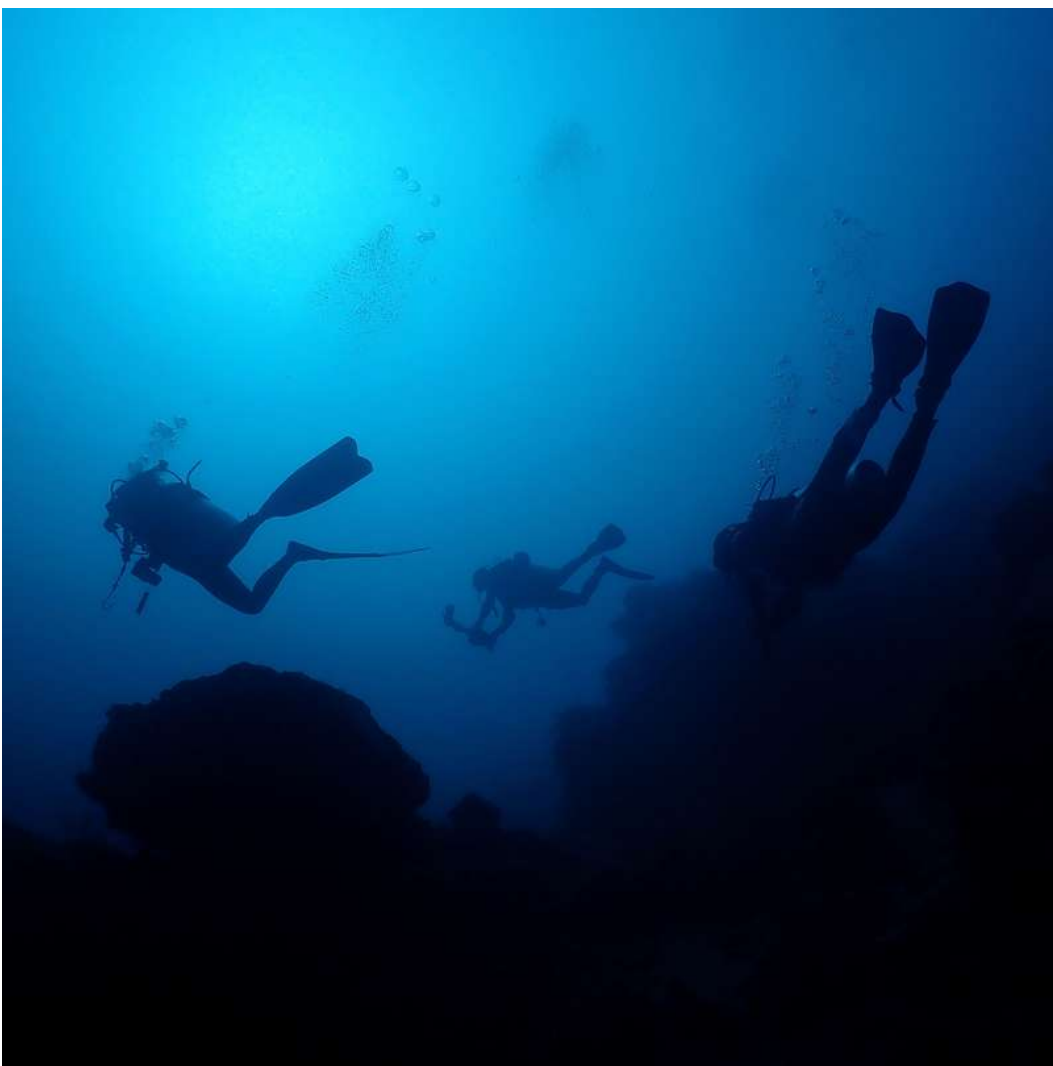

DAY 02

BANGGAI

We will start early morning with visit of Komba Komba village, then Kayak in Teluk Cintah and Pulau Banyak and then visit Bajo Village at Kampung Salakan

Jakare will head north and cross to Pompon and stay overnight
Overnight: Pompon

DAY 03

BANGGAI

Pulau Puah marks the entrance of the Togean Archipelago before arriving in the Walea Strait (selat Walea). It is a beautiful low sandy island with fringing reef and diving there will be mostly wall diving with overhang and cracks. We will propose Kayaking and diving there and then we will head west toward Pulau Togean, our next destination (35NM).

Activity 1: Kayaking at Pulau Puah

Activity 2: diving at Pulau Puah

Overnight: Pulau Togean, bomber Wreck

DAY 04

PULAU TOGEAN

We will kayak around the multiple islands of the surrounding area and will dive on the B24 Liberator, laying at 16-20m below sea level on a sandy bottom. The American plane ditched here during WW2 in May 1945 and is still in good conditions. We will also enjoy the beautiful surrounding of the Togeian Island in the vicinity of the wreck location and thereafter going westward toward the straight.

Activity 1: Kayaking at Pulau Togeian (around Bomber Wreck)

Activity 2: diving at Bomber Wreck (possibly 2 dives)

Activity 3: snorkeling

Activity 4: Kayaking at Pulau Togeian (going west ward toward selat)

Overnight: Pulau Togeian

DAY 05

PULAU TOGEAN

Early morning we will find our way toward north of Pulau Togeian. The crossing up to Wakai thru the beautiful selat and then karina beach at Kadidiri Island will take bout 3 hours (15NM).

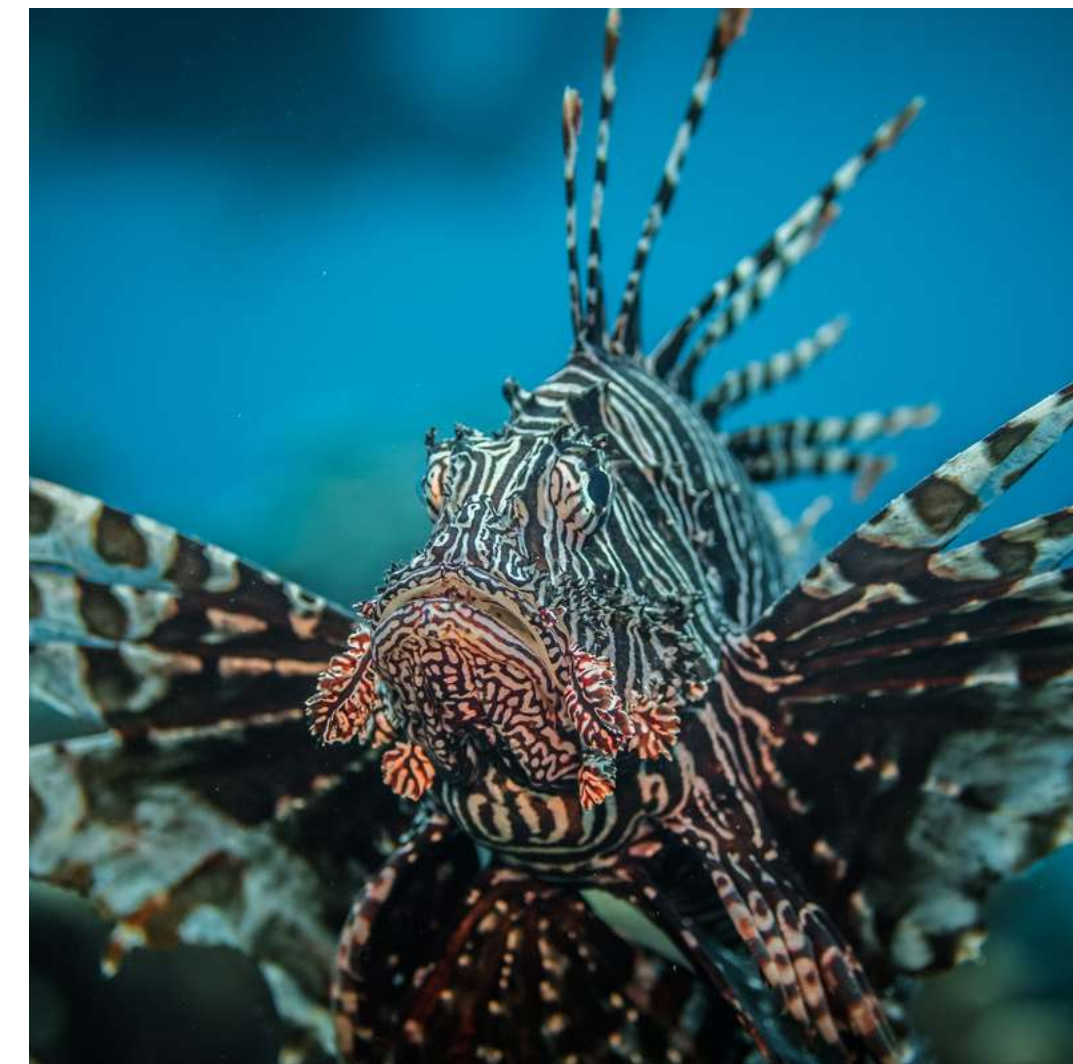

We will drop anchor in front of the Karina beach and swim with the jelly fish in a fresh water lake and then kayaking

Activity 1: Kayaking at Pulau Togeian (before sailing)

Activity 2: swimming in the fresh water lake with jelly fish

Activity 3: Kayaking at Pulau Togeian (from Karina beach to Waikai)

Overnight: anchorage at Wakai.

DAY 06

PULAU MALENGE & PULAU PAPAN

Jakare will sail eastward in the morning and reach the beautiful island of Malenge and its remarkable biodiversity (12NM). A visit of Papan village, home of the bajau, will be organized we will kayak, snorkel there and possibly dive at nearby Malingi Wall, a nice easy dive and spend the evening enjoying a BBQ on the beach.

Activity 1: Visit of Pulau Papan

Activity 2: Kayaking in Pulau Papan and surrounding.

Activity 3: diving & snorkel at Malingi wall

Activity 4: Kayaking at Pulau Malenge

Ovenight: anchorage at Pulau Malenge.

DAY 07

PULAU UNA UNA

Early sail toward Una Una Island (24NM), offering world class diving and beautiful untouched natural environment. For those who want to explore on land, a visit of the village and trekking to the Volcano will be organized. We will dive a selection of the best dive sites including Pinnacle 1 & 2, Kingston Wall and the famous Apollo with resident Baracuda tornado. Visibility is usually good in Una Una, with small current and abundance of fish life (including schools of fish, rays, turtle and tuna) and soft coral, giant sponges and sea fans.

Activity 1: Trekking /village visit Una Una

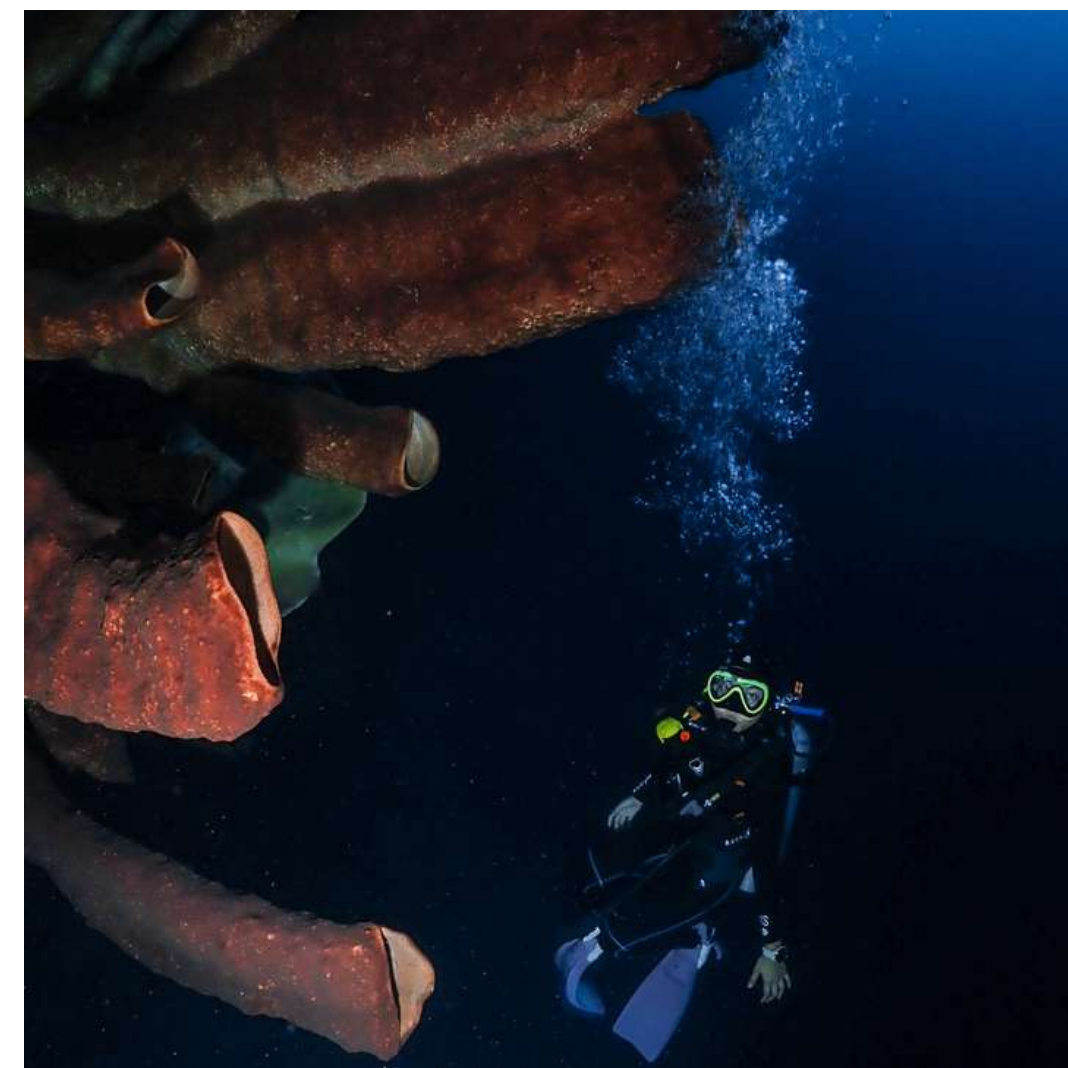

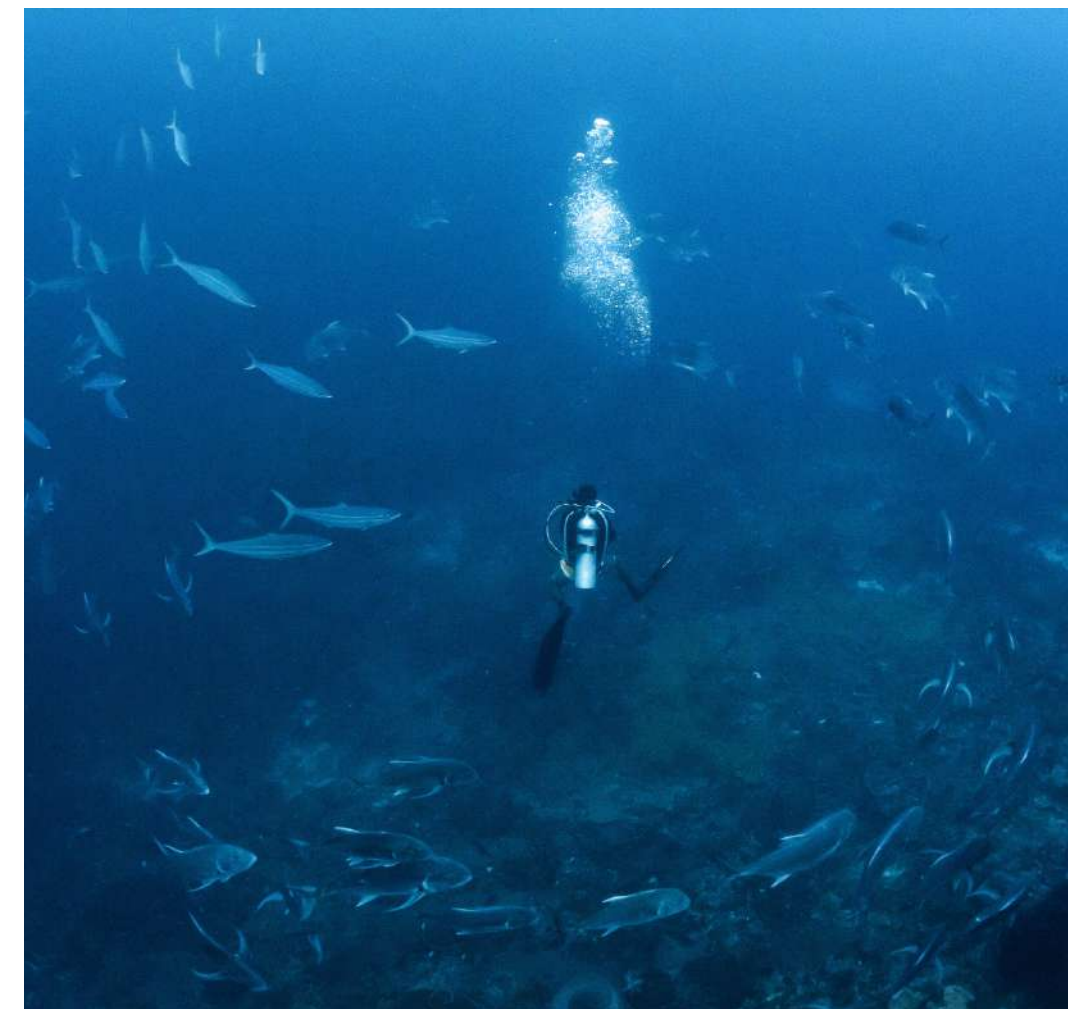

Activity 2: Kayaking in Una Una

Activity 3: diving & snorkeling at Una Una (possibly 2 x times)

Possibly lunch at Diving Resort Sanctum Una Una

At the end of the day (possibly after dinner), Jakare will head back toward Wakai.

Overnight: anchorage at Wakai

DAY 08

PULAU TOGEAN

Jakare will sail early morning towards Pulau Tolong and Pulau Waleabahi for discovery, kayaking and diving. Kayaking, snorkeling and diving will be organized, with possibly some trekking and visit of Bajo Villages.

DAY 09

PULAU TOGEAN

Continue exploring the east part of Togeian Archipelago.

Jakare will then sail toward Gorontalo at the end the afternoon.

Overnight: Sailing to Gorontalo (about 65NM or 10 hours).

DAY 10

GORONTALO

Expecting to reach Gorontalo early morning and sail toward the Whale Shark area, located approximately 6km south of the city. There will be snorkeling and diving session with these big fishes prior sailing back to Gorontalo. Breakfast will be served and Check out will be in the morning.

NOTE

- 1 Proposed Itinerary is for information & planning purpose only and subject to weather and actual conditions on board and at location
- 2 Daily program will be presented, discussed and confirmed with the guests every evening for the day after.
- 3 We will always respect a minimum of 24 hours interval between the last dive after
- 4 Please note that itineraries are subject to change based on weather conditions
