DAY 01

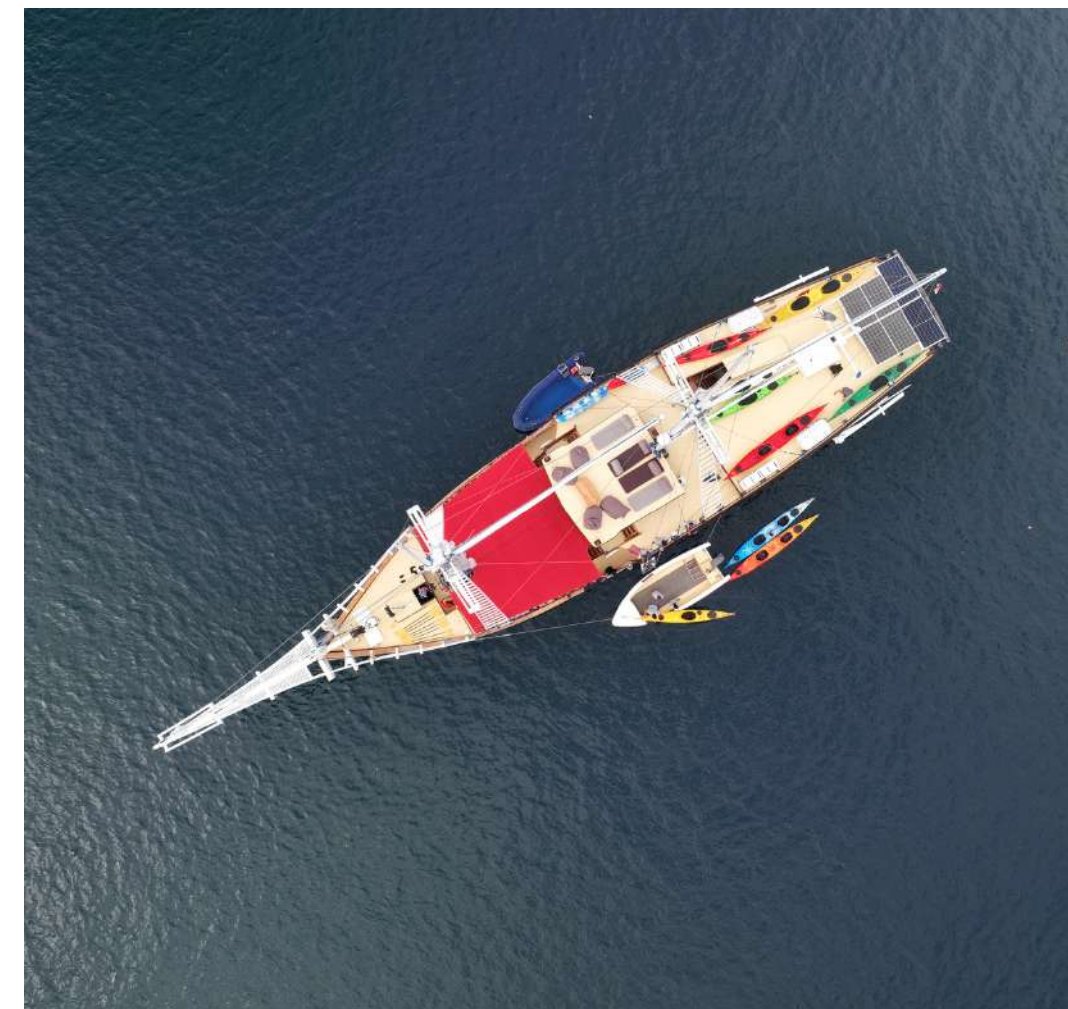

GORONTALO

During the morning, welcome drink and snack will be served to our guests. The cabins will be set up and boat briefing regarding the safety will be done by the cruise director. We will time to organize the dive deck with our guests and be ready for snorkeling and diving. We will be looking for the whale sharks in the fisherman village/boat. Jakaré will find a good anchorage point closed to Gorontalo.

DAY 02

GORONTALO

Second day around Gorontalo to find our friends the whale sharks. Multiple snorkeling and scuba diving session will be proposed with these beauties.

DAY 03

PULAU WALEABAHI SOUTH & NORTH

Day will be spent discovering the island of Waleabahi which offers many opportunities for exploration diving in this little-known area. Mid-afternoon the Jakaré will sail to the northern part of the island.

DAY 04

PULAU WALEABAHI NORTH & PULAU MALENCE

Morning sail to the island of Malenge. Visit the village of Papan. Activities will be organised according to the timing.

DAY 05

PULAU MALENGE & PULAU KADIDI

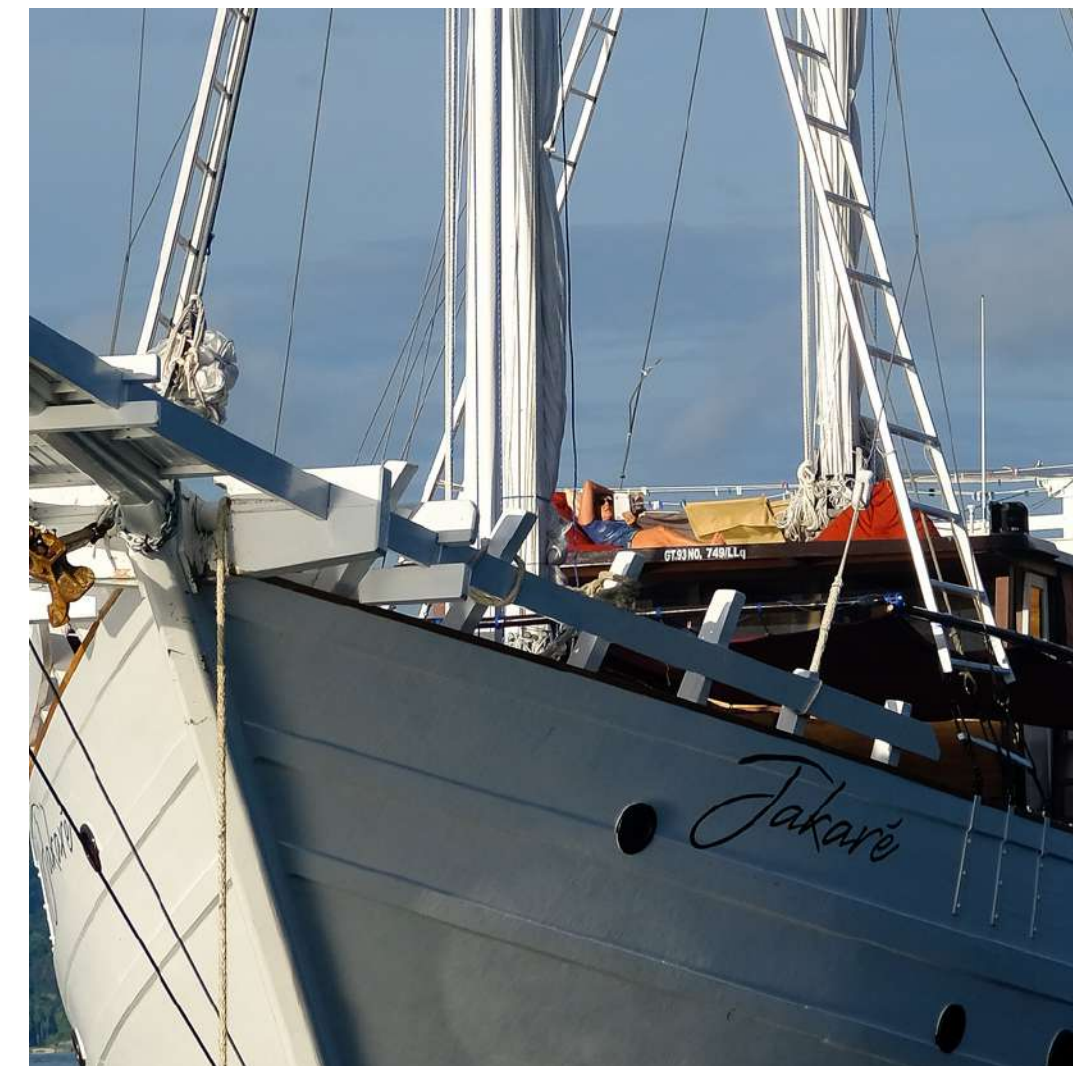

Fantastic sunrise in the village of Papan. Morning hike with the first light of the day in the forest with a local guide to discover the preserved island of Malenge which offers a remarkable biodiversity. Sail to Pulau Kadidi, discover the reefs over there for snorkelling and scuba diving. Sail to Una Una Island overnight.

DAY 06

PULAU UNA UNA

Day of diving or snorkelling on the selection of the most beautiful sites of Una Una such as California Reef. The volcanic island reveals exceptional dives among the most beautiful in Indonesia. Mooring near the village of Una Una.

DAY 07

PULAU UNA UNA

A morning hike, dedicated to discover the active volcano Una Una with your local guide. Alternatively diving is possible on Una Una for those who wish to. Visit the village of Una Una in the morning and then again a afternoon of diving or snorkeling on the selection of the most beautiful sites of Una Una. Jakaré will sail towards Pulau Taupan overnight.

DAY 08

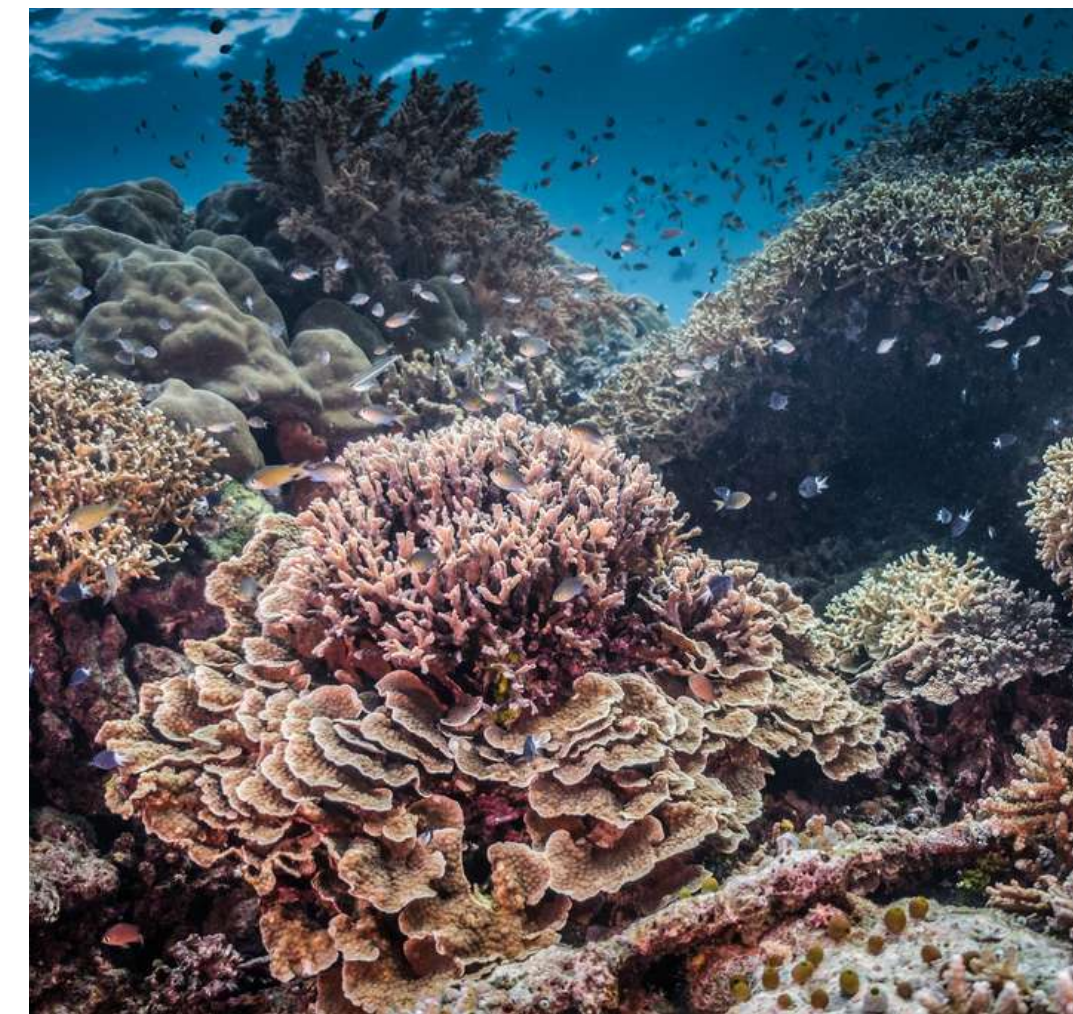

PULAU UNA UNA & BOMBA

Day dedicated to the discovery of the southwestern point of Togian around Bomba which offers magnificent snorkelling and diving sites, Among them, the superb sites of Goa Goa and Bomba Atoll which will allow you to discover three type of coral reef in the same area, namely fringing reef, atoll reef and coral reef. This day will offer you the opportunity to dive from fabulous drop offs and practice the macro photography. In the afternoon, you will be able to visit the village of Bomba and the beach of Bomba will be a perfect place to watch and ponder on a beautiful sunset.

DAY 09

BOMBA & TELUK TOGEAN

Sail to Teluk Togian overnight and stop at the B24 wreck in the south of Togean Island and possibly other dive sites like donut Reef or Saddle Back Reef. We will find a good anchorage point in Teluk Togean.

DAY 10

TELUK TOGEAN – PULAU TAUPAN AND BACK TO AMPANA

Sail towards Pulau Taupan early morning. Explore the beautiful and healthy reefs of Pulau Taupan, dive and snorkelling will be proposed. Jakare will then sail toward Ampana during the afternoon and the guests will be able to go to their hotel late afternoon.
