

SAMSARA SAMUDRA

▽

42M | 6 CABINS | 12 GUESTS | 12 CREW

Samsara Samudra embraces the history of the traditional phinisi complemented with modern finishes, and paired with her owner's commitment to exception hospitality.

Samsara Samudra, translated as the Samsara Seas, is an elegant custom-built phinisi style yacht owned by a boutique hotelier. She offers modern and relaxing accommodation for up to 12 guests with a one-to-one crew and guest ratio.

Drawing inspiration from exotic areas across the Indonesian archipelago, the interior is timeless, sophisticated and chic blending rich, dark wood accentuated with cream and hints of deep green.

The Samsara collection pairs their villa retreat in Ubud with this authentic yacht, alluding to the ethos that the ultimate luxury lies in time and connection. Onboard experiences are designed to rejuvenate the senses and encourage reconnection with nature, alongside family and friends.

THE EXPERIENCE ONBOARD

Samsara Samudra comprises three decks. The accommodation quarters are made up of six suites, all air-conditioned with plush beds and en-suite bathrooms.

The master suite is located on the upper deck, uniquely fitted with a huge bath tub and large windows looking out over the private balcony, which provides the ultimate space for relaxation. There's a second double cabin on the same level with large windows, while the remaining four cabins are located below deck (two double cabins and two additional interchangeable double/twin cabins).

Samsara Samudra's layout has been carefully thought through with open-plan living in mind. The yacht features an interior lounge room with state-of-the-art sound system, a spa room and plenty of space outside to relax and soak up the views. Guests may take pleasure in the Samsara culinary experience either inside or outside.
